Madhya Pradesh

DO Letter No: *IDS P/2020/87*
Bhopal, Dated : *01.02.2020*.

Dear Dr. Singh,

Subject :- Augmentation of Virus Research Diagnostic Laboratory (VRDL) AIIMS, Bhopal for testing of Noval Corona Virus (nCoV).

As we all aware that there is an outbreak of Noval Corona Virus (nCoV) in China. There is possibility of carrying and spreading of this infection by people coming from China to our country. Recently Government of India augmented 12 laboratories in country for testing of n-CoV but none of them in the state. Madhya Pradesh is a big state and it will be beneficial for people of state if Virus Research Diagnostic Laboratory (VRDL) AIIMS Bhopal is also provided Kits for testing n-CoV. VRDL AIIMS Bhopal is well equipped with competent staff.

warm regards,

Prateek Hajela
(Prateek Hajela)

To,

Dr. Sujeet K Singh,
MD, DCH,
Director
National Centre For Disease Control,
