HEALTH & FAMILY WELFARE DEPARTMENT**

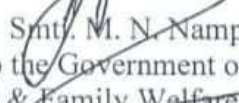

No.Health.94/2020/16

Dated Shillong, the 8th April, 2020.

Order

In view of COVID-19 pandemic there is an urgent need to put in place a protocol for truck drivers/handyman entering the State for transporting essential commodities to be duly followed as follows: -

1. Trucks will have to be disinfected at the Entry Point.
2. At the entry point, drivers/handyman will be scanned.
3. They are to be provided with masks and hand sanitizers.
4. Registration at entry point – Full name, Address, Contact Number, Travel history for the last 14 days and whether having any symptoms of fever, cough, breathing difficulty.
5. To provide the detailed purpose of entry along with destination and date of departure.
6. To provide the name, address & phone number of owner/agency.
7. The driver/handyman is to carry packed food. No stoppages should be allowed except in extreme circumstances.
8. They should not come out of the vehicle except when they need to use the washroom which is available at petrol pumps. The petrol pumps are to ensure that the washrooms are kept in clean condition with enough bleaching powder and running water.
9. They should stay at an identified place in case they require to stay for the night and to inform authorities concerned accordingly.
10. For loading/unloading commodities, the agency concerned should make arrangements for the local labour available to assist them.
11. They are to maintain hand hygiene, cough etiquette (wearing mask) and social distancing.
12. IEC materials in Hindi/Khasi are to be handed over to them for constant reference.

Smt. M. N. Nampui, IAS
Secretary to the Government of Meghalaya,
